

## 1 HU Voice Patch Panel 50 ports, Cat.3

50 port 1HU Voice Patchpanel - 2 pair  
Nexans ref.: N500.350

- 50 port in 1HU
- 2 pairs per port
- suitable for voice applications

### Description

#### Application

The Nexans Voice 1HU 50 ports patch panel is based on 19" frame dimensions. It is easy to manage thanks to the cable guide tie wrap support. The use of patch guides (sold separately) allows an orderly arrangement of patchcords.

#### Performance

The Nexans Voice 1HU 50 ports patch panel is compliant with Category 3 requirements.

#### Guarantees

Fully included in the LANmark System Warranty.

#### Installation

- The patch panel is equipped with a integrated plate for tie wrap strain relief for easy front access.
- Uses 2 pairs per port (45, 36)
- Punchdown from the top for easy connection from the front of cabinets.
- Supplied with fixings.
- With Nexans LSA+/110 IDC terminations.
- Unscreened version.
- Colour code T568A & T568B.
- Can be used with all types of cables (from 22 up to 26 AWG).

### Standards

**International ISO/IEC 11801**
